

Our Obedience and Rally Instructors

The instructors at FDTC are professionals with 75+ years of experience behind them. These highly skilled individuals are dedicated to helping you eliminate problems and assisting you in creating a lasting bond between you and your dog. Each of our instructors maintains her level of expertise through attendance at in-depth training seminars on the latest dog training techniques. Among our distinguished trainers are AKC-approved judges. Our trainers and their dogs actively compete in Obedience and Rally trials.

Other Training Information

FDTC offers Beginning, Intermediate, Novice Open, Utility and Rally Obedience classes. Additionally, Conformation classes are delivered weekly. Each class is designed to teach specific exercises. However, we also provide helpful tips on eliminating bad behavioral habits, such as chewing, digging, barking, howling, fear of people, soiling, aggression, and jumping up on people.

FDTC promotes positive reinforcement techniques using PRAISE and REWARDS in our training methods.

About Fremont Dog Training Club

FDTC is a nonprofit organization run by its club membership. We are dedicated to helping our canine friends, as well as ourselves, become better members of the community. FDTC has been active in the Bay Area since 1963 and is a member of the American Kennel Club (AKC). Each year, our organization holds an AKC-Sanctioned Obedience & Rally Trial. Various workshops are made available throughout the year for our members and training class participants. FDTC welcomes all dogs, purebred and mixed breeds alike. All classes are held at FDTC's training facility.

Beginning Obedience Class

(6 one-hour weekly classes)

The Beginning Class is designed to help you, the owner, train your dog. We limit this class to 8 dogs to provide the optimum educational experience, which includes special individual attention if needed. The Beginning Obedience Course is offered for any dog 4½ months of age or older. It runs for a period of 6 weeks, with all training performed on a leash. This introductory course is designed for the inexperienced trainer or the untrained dog. This course provides an excellent opportunity for the handler to become familiar with the standard obedience commands and for the dog to become comfortable interacting with other dogs. The commands and exercises covered in the beginning course are Sit, Sit/Stay, Down, Down/Stay, On-Leash Heeling, Come, and Sit for Exam.

Intermediate Class

(6 one-hour weekly classes)

The Intermediate Class is intended for continued training after the Beginning class. Designed for the handler and dog to reinforce their basic education while incorporating more advanced techniques. Positive motivation and rewards using food and toys are used in this class. While not required, training in the intermediate class will prepare students for a Beginner Novice trial (Heel On-Leash, Figure Eight, Recall, Sit Stay, and Sit for Exam). Additional focus on distraction training during exercises will improve general handling of dogs in public environments.

Novice Class

(6 one-hour weekly classes)

Once the handler and dog have completed the Beginning class they may now progress to the Novice Class. This class reinforces all the skills learned in the Beginning class and now adapts foundation exercises to include Figure Eight, Stand for Exam, Heal Off-Leash, Recall, Group Sit & Down Stay The trainer/dog strive to work as a team and hopefully with the thought of showing the dog in competition (Competition not mandatory).

Open Class

(weekly drop-in classes, pay as you go)

This class is for the dog and handler that has accomplished the exercises presented in the Novice class. In the Open Class the dog advances to Off-Leash Figure Eight, Retrieving a Dumbbell both on the Flat and Over a High Jump, learns the Drop on Recall (dropping on command as dog moves toward trainer), Jump over a Broad Jump and Stand Stay while getting your leash.

Utility Class

(weekly drop-in classes, pay as you go)

Training in the Utility Class is performed off leash and with verbal and nonverbal (hand signal) commands. The Utility Class is for the master trainer and the veteran dog. Some of the exercises tackled in this session are the directive Jumping over a Flat and High Bar Jumps, commands utilizing hand signals (Stand, Stay, Down, Sit and Recall), the Selection by Scent alone of the handler's article (metal and leather) from among other articles, and retrieving one of three gloves as directed by the handler.

Rally Classes

(weekly drop-in classes, pay as you go)

Rally is a sport in which dog and handler walk through a designated course made up of signs that provide instructions regarding an obedience skill. The dog and handler move continuously at a normal to brisk pace through the course completing each sign as quickly and smoothly as possible.

Unlimited communication from handler to dog is to be encouraged and not penalized. Multiple commands and/or signals using one or both arms and hands are allowed.

Rally provides a link from the Canine Good Citizen program to Obedience or Agility competition; Rally promotes fun and enjoyment for dogs at all levels of competition.

Conformation Class

(weekly drop-in classes, pay as you go)

The conformation class teaches you/the handler how to show the dog to its best advantage. The class level ranges from beginners to the most advanced. Class instruction is geared to the individual needs of the students.

We are teaching you how to show your dog and do not evaluate the quality of the dog.
